- WHEREAS,** under Article 4, Section 152, of the Local Government Code of 1991 states that the barangay may levy taxes, fees, and charges;
- WHEREAS,** privately-owned companies that cater services or utilities to the public, such as electricity, water, telephone, cable-TV, and other public places for purposes of repair, installation or expansion, and thus considered as part in the conduct of business of said companies;
- WHEREAS,** while these companies are issued excavation permits by the Engineering Office, the barangay government, however, for purposes of public safety, has the need to oversee and monitor occasionally the digging being done within their jurisdiction;
- WHEREAS,** similarly, since these excavations are being done within the territorial jurisdiction of the barangay, the activity involved on these digging oftentimes causes discomfort and inconvenience on some barangay residents, and which problem has to be addressed to by the barangay government;
- WHEREAS,** the effects of these excavations on the barangay and its residents and the relative services the barangay government have to extend thereto would justify the imposition of clearance fees to all diggings and /or excavation being done on Barangay Barangka;
